

PERSONNEL POLICY

The purpose of this policy is to serve as a guideline regarding the personnel program of the VWPLD. Nothing in this explanatory material shall be interpreted as an offer of employment, promise of continued employment, or as a contract between the VWPLD and the employee. Changes to this policy may be made at any time.

Definitions : For the purpose of this policy, terms used herein are defined as follows:

Professional: an employee who is hired at VWPLD to fill a position requiring a college degree.

Full-time: an employee who is regularly scheduled to work at least 36 hours per week.

Part-time: an employee who is regularly scheduled to work fewer than 36 hours per week.

Professional Responsibility : The library is by nature in a position of unique responsibility to the community. Professional knowledge, skills, and methods are required. The library director shall be a member of the American Library Association. The library shall be a member of the appropriate regional library system and library consortium. All staff shall attend trainings, workshops, etc. whenever possible to improve their skills. Professional staff shall attend library conferences and library managers' meetings whenever possible.

Background Checks :

Policy: The VWPLD is committed to provide a safe environment for patrons, volunteers, and employees and reserves the right to investigate the information provided by applicants and new employees and volunteers in an attempt to select the best-qualified applicants for work in the library. The intention of the investigation is to complete the hiring verification process and to confirm information provided by the applicant/employee/volunteer. The required information may include, but is not limited to, education, licenses, certifications and degrees, employment history, criminal history, and driving records, if applicable. Applicants for positions with the library will be required to complete the Applicant Disclosure and Release as part of the application process if it is deemed to be in the best interests of the library that the investigation be completed before hiring. It is a condition of employment that new employees and volunteers with the VWPLD consent to background checks to determine if there is any falsification or omission of statements in the employment application or other documentation provided if an investigation has not already been performed as part of the selection process. The applicant's/employee's/volunteer's signature on the Applicant Disclosure and Release must be notarized and a copy of the form will be sent to the appropriate agency for the appropriate limited criminal history check. The library will bear the cost of an initial check. The results of any and all background checks, investigations, and reference inquiries shall be reviewed by the executive director and/or the personnel committee of the library board of trustees and compared with information provided by the applicant/employee/volunteer. If there are any discrepancies between the information gathered by the library and the information provided by the applicant/employee/volunteer, the applicant/employee/volunteer may be asked to explain the differences. Any false information or omissions may be grounds for rejection of an applicant for employment or disciplinary action may be taken with existing employees/volunteers up to and including termination. Information gathered by reference and background checks will be

confidential. Names, compensation, job title, business address, business telephone number, job description, education and training background, previous work experiences, or dates of first and last employment may be released.

Procedure:

1) All persons appointed to library positions, including volunteers, all of whom shall be deemed “at-will employees” covered by the term “employee” as used hereinafter shall have verified:

- a) All work experience listed on the application/resume that qualify the individual for the position sought;
- b) All employment during a period of seven (7) years immediately preceding the date of application;
- c) All academic diplomas and degrees, and
- d) Any required licensure

2) All persons accepting conditional offers of employment shall be subject to criminal history checks at the discretion of the library. Convictions and arrests with pending charges found during a background check performed when a current library employee transfers, promotes, or demotes to another position will be considered in determining whether the employee will be transferred, promoted, demoted, or whether disciplinary action, including dismissal from library employment, is appropriate.

3) Citations for infractions which occur during the employee’s off-duty hours must be reported if the citation will have an impact on the employee’s ability to perform assigned duties (e.g. loss/suspension of driving privileges). Such a report is required in writing to the Library Director or designee as soon as possible, but not more than five (5) calendar days from the date of the citation.

4) Whenever an employee is: (a) cited for an infraction while on duty or (b) arrested for any misdemeanor or felony, the employee shall report this matter, in writing, to the library director or designee as soon as possible but not more than five (5) calendar days from the date of arrest or citation. Failure to report in accordance with the above shall be considered a violation of this policy and may subject the alleged offender to discipline, up to and including dismissal.

5) It is the responsibility of any employee with pending criminal charges to provide to the library director or designee written documentation (i.e. court record) of the disposition of the charges within five (5) calendar days after receiving notification. Failure to do so will be considered a violation of this policy and may subject the employee to discipline, up to and including dismissal.

6) The following factors may be considered in determining whether pending charges or convictions have a nexus to the employee’s duties and responsibilities, including: the nature and seriousness of the offense; the number of offenses for which the individual was convicted; sentence imposed; other convictions/infractions; specific proscription in Illinois Code; effect on any license which is requisite to performance of the job; risk of recidivism, reasonable inferences about problems with self-control, propensity for violence, honesty, or dependability; erosion of confidence in or impugning the reputation of the individual or the library, objections the victim/citizen may have to the library being the perpetrator’s employer; the offender’s age at the time of conviction and age when released from incarceration; the time elapsed since the offense occurred, conviction and/or completion of the sentence; the nature of the job held or sought; the length and consistency of employment history before and after the offense; whether the offender

performed the same type of work, post-conviction, with no known misconduct; rehabilitation efforts undertaken (e.g., education and training); employment or character references; and any other information regarding fitness for a particular job.

7) At the discretion of the library director or designee, the employee may be carried on Unauthorized Leave (UL) for time spent in jail and subject to disciplinary action. Five (5) consecutive UL days may be cause for dismissal. Personal leave may not be taken to cover periods of incarceration. Vacation leave may not be taken to cover periods of incarceration, unless the vacation was scheduled for a purpose unrelated to incarceration prior to the employee being incarcerated.

8) An employee who has been arrested and charged with a crime may be suspended pending an administrative investigation and/or the disposition of any charges filed against the employee. The determination as to whether an employee is suspended shall be based upon the nature and circumstances of the alleged offense and other factors relating to nexus.

9) If the employee is on suspension pending administrative investigation and/or the disposition of any charges and the outcome is favorable to the employee, she/he shall be returned from suspension and made whole (less any wages that the person earned during the period of suspension).

Amended September 13, 2023

Accumulation of Sick Leave: Employees who have accumulated the maximum sick leave accrual of 480 hours may continue to accrue, for IMRF creditable service purposes only, additional sick leave up to a maximum of 240 sick days (1,920 hours) based on the Illinois Pension Code (40 ILCS 7/5-139(a)(8)). This allows retiring members of the IMRF, including library staff, to convert unused, unpaid sick leave to service credit. Up to 240 days (1,920 hours) can be converted, and a member will receive one month's service credit for every 20 days (or fraction thereof) of unused, unpaid sick leave up to a maximum of one year's pension credit. It is understood by the employee and the library that such additional accrual over 60 days (480 hours) shall be used for IMRF creditable service purposes only and may never be used for any form of paid sick leave. If an employee who has accrued unused sick leave in excess of 60 days (480 hours) is required to use sick leave, which reduces the 60-day (480 hours) amount, the amount of sick leave available for IMRF purposes shall not be reduced, but shall not begin accruing until such point as the employee has again accrued 60 days (480 hours) of sick leave.

Compensation for Sick Leave: Individuals leaving the employment of the VWPLD will not be compensated for any unused sick leave. As per IMRF regulations, unused sick leave is added to the total number of days worked by the employee and accordingly increases pension benefits.

Reviewing the Use of Sick Leave: The library director shall review the employee's use of sick leave. If this review indicates that any employee's use of sick leave is excessive or questionable, the director may require that the employee submit written certification from a physician confirming the necessity of absences due to illness.

Extended Sick Leave: Eligible employees are entitled to extended sick leave under the terms and conditions of the Family Medical Leave Act (FMLA). All vacation time and accrued sick time must be used before requesting extended sick leave. When a major illness causes an employee to exhaust all accumulated sick leave, application may be made to the board for unpaid disability leave, which may be granted for a period of up to one year. During the period of disability leave, an employee's job and seniority rights will be retained at VWPLD. Provisions may be made to extend medical insurance coverage during the period that the employee is classified as disabled by the IMRF in accordance with the provisions of the employee's insurance policy then in force. While an employee is on disability leave, he/she may continue participation in the VWPLD health insurance program at his/her own cost by a monthly pre-payment of the premiums.

Notification: Use of sick leave is contingent upon prompt notification of the circulation supervisor or the library director. Notification of an illness or injury should be made prior to the beginning of the business day, if possible.

Changes in Sick-Leave Policy: The administration of sick-leave policy is under the direction of the board of trustees. Advancement of sick-leave credits and disputes concerning the interpretation of sick-leave policy should first be discussed with the library director. If the issue cannot be resolved between the employee and the director, the ultimate authority for decisions concerning sick-leave policy rests with the board.

Pandemic Paid Sick Leave: The Pandemic Paid Sick Leave policy goes into effect if a state disaster proclamation has been made in response to a pandemic. This policy only applies to leave related to the pandemic illness.

The employee must be unable to work or telework and present one of the following qualifying reasons to use emergency paid sick leave:

Employees are eligible from the first day of employment for emergency sick leave at regular rate of pay if:

1. Employee is subject to a federal, state, or local quarantine or isolation order
2. Employee had been advised by a health care provider to self-quarantine
3. Employee is advised by CDC, IDPH, or DeWitt-Piatt Bi-County Health Department guidelines to quarantine.

Employees are eligible from the first day of employment for emergency sick leave at 2/3 rate of regular pay if:

1. Employee is caring for a family member or other member of the employee's household who is subject to an order described in (1) or (2) above
2. Employee is caring for a child (under 18 years of age) of such employee if school or day care has been closed, or child care provider is unavailable due to the pandemic

Amount of leave per fiscal year

1. Full-time employees are eligible for up to two weeks of leave time, based on their regular schedule over a 2-week period, up to a maximum of 80 hours.
2. Part-time employees are eligible for a number of hours equal to the number of hours the employee works, on average, over a 2-week period.

Adopted October 13, 2021

Paid Time Off for Part-Time Employees:

Paid time off may be used for any reason. Paid time off must be used in a minimum of half hour increments.

Rates:

Part-time employees earn one hour of paid time off for every 40 hours worked, up to a maximum of 40 hours.

Accumulation of Vacation Leave: Employees begin earning paid time off on the anniversary of their hire date. Employees may roll over up to five days of unused vacation time from one year to the next, for a maximum of five days. Upon separation, pay for any time accrued, but not used, will be included in the employee's final paycheck.

Approval of Vacation Leave: The scheduling of vacation leave is subject to the approval of the circulation supervisor. No two employees from the same floor should be on vacation at the same time without permission from the library director.

Amended September 13, 2023

Special Leaves- of-Absence

Leave(s): The following types of leave are recognized by the VWPLD:

- Maternity Leave
- Adoption Leave
- Bereavement Leave
- Jury Duty
- Military Duty
- Compensatory Leave
- Victims' Economic Security and Safety Act (VESSA) Leave

Maternity Leave: All full-time employees and part-time employees who are regularly scheduled to work a minimum of 21 hours per week are eligible for six weeks of paid maternity leave, regardless of the length of employment at the VWPLD. Part-time employees who work 20 and under hours per week are eligible for two weeks of paid maternity leave. Paid maternity leave is available based on medical conditions due to pregnancy and childbirth.

Full-time and part-time employees are entitled to maternity leave under the terms and conditions of FMLA.

Maternity leave can only be combined with sick leave and vacation leave if the situation qualifies under the terms and conditions of FMLA. If an employee uses all of her vacation and sick time in addition to maternity leave, she will not be granted additional paid time-off later in the fiscal year. During this period, employees who are normally covered will retain all health, hospitalization, and IMRF benefits.

The employee returning from maternity leave will be reinstated to the same or similar position that she held prior to taking the leave.

Parental or Adoption Leave-of-Absence: Upon the birth or adoption of a child, an employee who wishes to take a leave-of-absence for child-care purposes (not for conditions related to medical disability) may apply for a two-week parental leave-of-absence with pay. Requests for a parental leave-of-absence must be submitted to the library director six weeks prior to the expected date of

delivery, except in cases of adoption. Employees are entitled to a parental leave-of-absence under the terms and conditions of the FMLA.

Bereavement Leave: An absence of up to ten scheduled work days (the first three with pay) will be allowed for death in the immediate family (father, mother, grandfather, grandmother, father-in-law, mother-in-law, brother, sister, husband, wife, domestic partner, children, step-children, step-parents) or another relative or friend living in the household.

Pregnancy Loss: An absence of up to ten scheduled work days (the first three with pay) per calendar year will be allowed for a pregnancy loss; an unsuccessful round of intrauterine insemination or of an assisted reproductive technology procedure; a failed adoption match or an adoption that is not finalized because it is contested by another party; a failed surrogacy arrangement; or a diagnosis or event that impacts pregnancy or fertility; or (ii) an absence to care for a spouse or domestic partner who experiences a circumstance described in this policy.

Bereavement/Pregnancy Loss leave applies to all employees. Staff may make up any unpaid bereavement leave with vacation time. Unused paid leave time granted shall not carry over from one calendar year to the next. The library may not require that the employee identify which category of event the leave pertains to as a condition of exercising rights under the Family Bereavement Leave Act.

Attorney reviewed June 24, 2022 ; Amended July 13, 2022

Jury Duty: All employees shall be granted a leave-of-absence with pay for jury duty. Any jury-duty pay will be signed over to the library.

Military Duty: Leave will be granted for military service in accordance with current Illinois and federal laws.

Compensatory Leave (Comp. Time): Full-time employees required by their supervisors or the executive director to work more than 40 hours in a week shall earn compensatory time (paid time off) at the rate of one and a half hours for each overtime hour worked. Any overtime work must be approved by the executive director. Employees must comply with the policies that follow:

- a) The date and hours of the overtime work and the amount of compensatory time earned must be recorded by the circulation supervisor for that purpose, together with the name of the person who approved the overtime work.
- b) Whenever possible, an employee's work schedule will be modified by the circulation supervisor so that compensatory time is taken the same month that it is earned. For example, if an employee is required to attend an evening meeting at the library, the circulation supervisor shall schedule that employee to come in later than normal, work a split day, or leave early on a workday of the same week.
- c) If, due to unusual circumstances, the library director is unable to provide compensatory time off through scheduling within the same week as the compensatory time is earned, the director and the employee shall work together to

schedule use of the compensatory time as soon as possible and not more than 30 days from the date of its accrual.

d) Compensatory time shall not accumulate.

Worker's Compensation

The Vespasian Warner Public Library District provides benefits under the Illinois Workers' Compensation Act and the Illinois Occupational Disease Act for employees who suffer an accidental injury or a disabling occupational disease arising out of, and in the course of, the employee's employment at the library.

An employee who fails to give the employer notice of an on-the-job injury or disablement may be denied benefits otherwise available to the employee under these two acts. Notice of an accident must be given to the employer in writing as soon as practical, but no later than 45 days following an accident. In any case, other than one in which the injury was caused by exposure to radiological materials or equipment, the statute of limitations will expire within three years after the accident where no compensation has been paid or within two years after the date of the last compensation payment, whichever is later.

While receiving income benefits under workers' compensation, an employee's years of service, vacation, and sick leave earnings are computed as if the employee were in pay status. Within 30 days of receiving notice of leave benefit earnings and service credit restoral amounts, an employee may appeal the calculations.

Adopted 8/19/2020

VESSA Leave: In accordance with the Victims' Economic Security and Safety Act (VESSA), all employees are entitled to four workweeks of unpaid leave to:

- Obtain psychological or other counseling for the employee or the employee's family or household member
- Participate in safety planning, including temporary or permanent relocation or other actions to increase the safety of the victim from future domestic or sexual violence
- Seek legal assistance to ensure the health and safety of the victim, including participating in court proceedings related to the violence

VESSA leave may be taken intermittently or on a reduced work schedule. Employees may use paid time off for VESSA leave.

Notice and Certification Requirements

The employee shall provide the library with at least 48 hours' advance notice of the employee's intention to take leave, except in such cases where it is not practicable to provide such notice. If an unscheduled absence occurs, the library will not take action against the employee if the employee, upon request and within a reasonable period after the absence, provides certification.

Certification includes:

- Documentation from a victim services organization, attorney, member of the clergy, or medical or other professional from whom the employee or the employee's family or household member has sought assistance
- A police or court record
- Other corroborating evidence

The library will maintain the confidentiality of all information pertaining to the use of VESSA leave, notice of an employee's intention to take VESSA leave, and certification provided by the employee.

Emergencies

Employee: In case of an on-the-job injury or an acute medical condition which causes the employee to lose consciousness, it is necessary for each employee to have on file the name and phone number of a family member to notify, the name and number of his/her physician, and hospital preference.

Family: When a family emergency arises which requires that an employee leave the building during his/her normal workday, the employee will be excused from his/her duties with no loss of pay. If the emergency requires that the employee be absent for more than that day, he/she will notify the library director of the expected length of time of the absence. The director will then determine under which section of this policy, if any, that the leave will fall.

Library: When it is necessary due to unforeseen events, such as inclement weather, building problems, etc., to close the library, the library director will notify all employees scheduled to work that day as soon as the situation becomes apparent. Decisions to close the library must be made with the approval of the library director, his or her designee, or the library board president. If the library is closed, all employees scheduled to work that day will be paid.

Professional Activities and Travel Allowances

Staff members and members of the library board are encouraged to attend professional meetings and to participate in professional activities. The library's annual budget provides funds for certain professional activities and travel expenses. Participation may be limited by budget allocations.

Membership Fees: Membership dues in professional organizations will be reimbursed by the library. Staff wishing to join organizations with the cost thereof to be paid by the library should first check with the library director to have such funding approved.

Approval: No travel/activity involving reimbursement of expenses or use of regular work time will be undertaken by any employee without prior approval of the library director.

Allowed Expenses: Subject to the availability of funds budgeted each fiscal year, the following expenses related to professional activities and travel on library business will be allowed.

Reimbursement: Staff are expected to use a library-issued credit card to pay for expenses as incurred. Receipts must be obtained for all purchases and submitted to the assistant business

manager. If a library-issued credit card is not available, staff must submit a request for reimbursement with original receipts within 30 days of the expense being incurred. Payment for reimbursable expenses will be by check in the bill cycle run closest to the time when receipts for expenses incurred were turned in to the library director. Minor reimbursements (under \$20) may be made from petty cash. In order to avoid personal hardship, major expenses involving long-distance travel, etc. may be calculated and paid in advance with the understanding that if the advance exceeds the actual authorized expenses, the employee will refund the excess amount within 30 days of the scheduled return date.

Transportation : Library employees will be reimbursed at the current IRS rate when using a private automobile to attend meetings, conferences, or engage in other library business. Costs for air travel and ground transportation will be paid by the library.

Parking and Tolls : All parking and toll charges incurred while traveling on authorized library business or attending professional meetings will be reimbursed. Employees are asked to obtain receipts when possible.

Registration Fees : Fees required for attendance at library conferences and workshops or other related meetings will be paid in full by the library.

Meals/Rooms : When a conference, meeting, or workshop includes a meal as part of the program, the library will pay for that expense. When engaged in other authorized library activities which do not include a meal as part of the program but, which because of the scheduling of the program or conference, require that an employee eat out, the library will pay for that expense based on rates for the area provided by the General Services Administration (<https://www.gsa.gov/travel/plan-book/per-diem-rates>). Conferences and travel which require meals/overnight lodging will be paid by the library. Alcohol purchases are not permitted.

Revised July 12, 2023

Work Schedules: When an employee attends a meeting on his/her day off, compensation will be as follows:

Full-time employees will receive compensatory time equal to that spent by the employee in traveling and attending the meeting.

Part-time employees will be paid their regular hourly rates for the time (including travel time) that was expended.

IMRF employers that offer health insurance to their active employees must also offer the same insurance to disabled members, retirees, and surviving spouses (215 ILCS 5/367j) at the employee's own expense.

Health Insurance: The library makes available to full-time employees (regularly scheduled to work 36 hours or more per week) a plan which provides health insurance coverage. Premiums for the employee are paid for by the library, and coverage for additional family members is available at the employee's expense. At the time of enrollment, employees will be provided with information about the policy, as well as costs.

COBRA: An employee who leaves the employment of the VWPLD and wishes to continue his/her health insurance coverage may do so upon request at his or her own expense, in accordance with current COBRA legislation. Complaints, Resignations and Dismissals

Employee Complaints and Grievances: All staff members are assured a fair hearing of their individual work-related grievances and concerns. When a problem arises, the employee should state his/her concerns in writing and submit them to his/her supervisor who will attempt to resolve the concern and respond in writing. If this should fail, or if the employee still feels that the problem has not been thoroughly and/or fairly considered, the employee may appeal in writing directly to the library director. If the grievance still remains unresolved after it has been brought to the attention of the library director, the employee may appeal in writing to the library board.
